MESSAGE FROM THE PRESIDENT:

Hello Claymont Lions:

The fall season is fast approaching, with the leaves beginning to change colors and the weather getting a little colder. Please be safe and take care of yourselves from fraudulent schemes that AI has presented.

At our September 23rd dinner meeting, we had the opportunity to host DG Dr. Esosa Iriowen and his cabinet for their official visit. DG Esosa gave a great presentation on how to best serve our community; he blessed us with his wisdom and his vision for District 22-D for the upcoming year. Thanks to our Zone Chair, Lion Amanda Scarborough, for stepping in to help with introductions of the DG and his cabinet.

I want to thank IPP Carol Lecates for starting our Meals on Wheels program, which has been a success. I look forward to serving on that committee. Thanks to all who have stepped up to serve. October is going to be a busy month with lots of projects and activities. Starting October 1, we have the Lions Eye Screening event at the Claymont Community Center. Thanks to Lion Bill Gerety and the committee. Then we have White Cane Days, October 1–3, at various locations throughout the Claymont area. Special thanks to Lion Frazier for setting up the locations. Meals on Wheels will be held on the 1st, 3rd and 5th Mondays of the month. Special thanks to Lion IPP Carol for organizing this great project. Our Winter Pancake Breakfast is October 24th. Thanks to Co-Chairs Lion Bob and Lion George for organizing this great event. In addition, the next board meeting will be at The Bird's Nest on October 21st. Last, but not least, the second DG Cabinet meeting will be held at the Modern Maturity Center in Dover on October 29th.

Thanks to all who help to make our projects successful throughout the year. You definitely exemplify the motto, "We Serve."

I am open to innovative ideas and suggestions, do not hesitate to reach out to me if there is anything I can do to make this Lion year better. Hope to see you at one of our dinners or board meeting or an upcoming event.

**SEPTEMBER 9th DINNER MEETING PACKED WITH
INSPIRATION, CELEBRATION & LION PRIDE!**

Our September 9th dinner meeting was an evening filled with learning, celebration, and recognition!

*Left to right: King Lion Nolan
Lewis and Daniel Teano*

Daniel Teano of AltruVision gave an informative presentation about the important work of eye banks. He shared that AltruVision was founded by Lions and is one of only five eye banks in the United States equipped with a Femtosecond Laser. The 500-pound laser provides specialized technology for corneal procedures, and a dedicated van would allow this equipment to be transported throughout Pennsylvania, Delaware, and New Jersey, expanding access to hospitals without the technology on-site. In Delaware alone, 100 cornea recipients were served during the fiscal year ending June 30, 2026.

The evening also brought a very special celebration as the club honored Lion Harry Grandel on his 104th birthday! A surprise cake and warm birthday wishes made the occasion especially memorable. We were delighted to have Lion Harry with us to celebrate this incredible milestone.

*Left to right: Newly Inducted Lion
Brian Harris and his sponsor
PCT Lee Bird.*

Another highlight was the induction of our newest member, Lion Brandon Harris, by PCC Don LeCates. Lion Brandon was sponsored by PCC Lee Bird. Welcome to the Lions family, Brandon!

Lions Lee and Amanda also presented the 2025–2026 100% Club Attendance Awards, recognizing members whose commitment to attending meetings continues to strengthen our club.

Special pins went to eight Lions celebrating five consecutive years of perfect attendance, along with members marking impressive milestones ranging from one to 45 years of 100% attendance.

Congratulations to all of our dedicated Lions—and thank you for showing up, staying involved, and continuing to serve!

AN EXCITING EVENING OF FELLOWSHIP, SERVICE AND RECOGNITION!

The Claymont Lions enjoyed an exciting dinner meeting on **September 23**, welcoming District Governor **Dr. Esosa Iriowen** and his cabinet for an evening filled with fellowship, surprises, gifts, and special awards.

During his remarks, DG Esosa thanked the Claymont Lions for **touching so many lives through their service to the Claymont community.** He reminded us that *“The lives we touch are the true reward of service”* and that **“Lion Acts of Service Matter.”**

He also spoke about International President's **“Rooted in Service”** message and noted that the Claymont Lions Club is truly deeply rooted in service. DG Esosa shared that he was there not only to listen, but also to see how he could join us and contribute to our service efforts.

*Lion Amanda Scarborough introduces
District Governor Esosa Iriowen as
King Lion Nolan S. Lewis listens*

One of the evening's highlights was his story about his wife, who is not yet a Lion. After participating in a Glasgow Lions service project, she was so inspired by the experience that **she now wants to become a Lion!** 😊 Her only dilemma? She doesn't want to join the Dover Lions Club with her husband! 😊

DG Esosa's story was a simple and inspiring message: **Invite someone to participate in a service project—they just might fall in love with Lionism through the joy of serving others!**

Once the recognition portion of the evening was complete, the Cabinet Members shared individual remarks and reflections. And it seems our District Governor had such a wonderful time with the Claymont Lions that he followed up with a letter to the club about his visit! Be sure to read his letter, included in this issue of the SCOOP, for your reading pleasure.

And one last mention! Remember the call for volunteers to help pack a trailer to transport eyeglasses to the New Jersey Lions Eyeglass Recycling Center? Well, Claymont Lion Bob Schlosberg answered the call! He volunteered in Milton to help load an incredible 30,000 pairs of eyeglasses, alongside PCC Clyde Bragg and other Lions.

Now THAT is what “Lion Acts of Service Matter” looks like! A great evening of service was had by all!

Thank You for a Memorable Evening:

Dear Claymont Lions,

Thank you for the warm welcome and gracious hospitality during my visit yesterday. It was a truly memorable evening filled with fellowship, encouragement, and a shared passion for service.

Congratulations to all who received Lions longevity chevrons, honoring milestones ranging from 10 to an extraordinary 70 years of membership. Each chevron represents years of lives touched, communities strengthened, and faithful service rendered. Celebrating a Lion who has served for 70 years was especially inspiring and a powerful reflection of Claymont Lions Club's remarkable legacy.

Thank you for making my Cabinet team and me feel so welcome. I left encouraged by your kindness, proud of your service, and grateful for the opportunity to share such a meaningful evening with you.

I look forward to continuing to serve alongside you—not above you, not beneath you, but always with you—as we change lives through service.

This is not my year—this is our year, and this is our District!

With heartfelt gratitude,

Dr. Esosa Iriowen
District Governor, District 22-D"

WHITE CANE DAYS: THREE DAYS OF SERVICE, SPIRIT & GENEROSITY!

Three days. Multiple locations. 26 Lions. Countless generous donors.
ONE AMAZING WHITE CANE DAYS WEEKEND!

The Claymont Lions Club once again showed what **service in action** looks like during our annual White Cane Days! For three days, our dedicated Lions volunteered at several locations throughout the community, greeting shoppers, spreading awareness, and collecting donations to support the important work of Lions.

And the results were fantastic—we are proud to announce that we **exceeded our budget goal! WHAT A TEAM EFFORT!**

This success would not have been possible without the support of our wonderful community partners: **Dunkin, ACME, Action Hardware, and Food Lion.** We sincerely appreciate their generosity and

continued support of the Claymont Lions and our service to the community.

A special THANK YOU to **Lion Lee Bird** for picking up the donations after each shift and making sure everything made it safely back to the club. And, we certainly can't forget **Lion Dick Gackebach**, who dutifully took on the important job of counting the many donations! We appreciate your dedication—and your patience!

AND THEN THERE WAS ONE VERY SPECIAL VOLUNTEER...

We want to give a HUGE shout-out to **Carolyn Lewis**, spouse of former Lion George Lewis, who absolutely tirelessly worked **SEVEN shifts**!

Carolyn, your commitment, energy, and willingness to give your time to help the club make White Cane Days a success did not go unnoticed. Quite frankly, we have just one thing to say:

YOU NEED TO BECOME A LION! Your Lions family is ready when you are!

A HUGE THANKS TO EVERYONE!

To the 26 Lions who volunteered, 9 working two or more shifts, our incredible extended Lions family, and everyone who stopped by and generously contributed—THANK YOU!

Lions Code of Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration of profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as the right or ethics on my position or action towards my fellow man, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the services performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labor and means.

TO AID my fellow men by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise, to build up not destroy.

That's correct.... **MONEY** in **YOUR** pocket! The Board has approved an incentive program geared at growing our club's membership while earning rewards for sponsors. Sponsors of new members will receive a \$25 gift card upon induction of their new members during this 2025-2026 Lion year. Then, at the end of the 2026-2027 Lion Year, a \$50 gift card will be offered to the one club member that sponsors the most members (which has to be more than one new member). If there is more than one member who has sponsored the same number of new members, then both/all of those sponsors will be offered a \$50 gift card. Let the competition begin and our new members roll in!

Unfortunately, we were not receiving enough value from the program to justify the effort involved. Since there are no convenient recycling options in Delaware, the cartridges were being picked up by someone from New Jersey for recycling.

After considering the time, effort, and limited return, we determined that **the program was simply not worth continuing**.

Thank you to everyone who participated and supported this effort.
